An act to amend Sections 6710, 6714, and 8710 of the Business and Professions Code, relating to engineers and land surveyors.

LEGISLATIVE COUNSEL'S DIGEST

SB 2030, as introduced, Figueroa. Engineers and land surveyors.

Existing law establishes within the Department of Consumer Affairs a Board for Professional Engineers and Land Surveyors that is empowered to adopt rules and regulations governing the regulation and the registration and licensure of engineers and land surveyors. Under existing law, the provisions creating the board and enumerating some of its powers will become inoperative on July 1, 2001, and will be repealed on January 1, 2002.

This bill would delete these dates, thereby extending the operation of these provisions until an unspecified date.

Vote: majority. Appropriation: no. Fiscal committee: yes. State-mandated local program: no.
